Purses by Danny K

The new line of fall purses from Passion arrived and you are going to love the colors and the prices! Speaking of colors...check out the purple that now is in the Jewelry case. They say most women are naturally attracted to purple. We are not sure if that is true but we know that you are going to love the new line of jewelry that is on that purple. Stop in and see it today...these pieces won't last long.

The fabric in each Danny K is individually hand cut to highlight the beauty and design of the tapestry.

We have several types of bags and cell phone cases in two different patterns. Hurry in ...the selection is going fast...

The Yankee Candles are on sale...25% off
