RIDDLE ANTIQUE CAR SHOW AT COUNTRY FAIR WILL PRESENT CELEBRATED NUMBERS

Mr. John Gratz, of the Classic Car Club, with the aid of Messrs. Robert LaFore, Moylan, George Corse, Wallingford, Clifford Woodbury, Middletown and Joseph Fisher, Media will be in charge of the Antique Car Show at the Riddle Memorial Hospital's Country Fair on September 19 on the hospital grounds.

One of the cars that might be shown, report our experts, is a 1931 Cord. Only two such models of these cars were built; one was manufactured for Lola Montez, silent screen star (remember her?) and the other one for the incomparable John Barrymore (The Great Profile).

"COUNTRY FAIR JOTTINGS" 1964

Through an oversight last month we neglected to report the person selling the largest number of "Treasure Trove" coupon books during a week's activity would be entitled to a free book herself! Donnie Watson, co-chairman of the "Treasure Trove" Committee reports these winners: First Week: Dolores Dodd and Bea O'Donnell (of the Hospital Employees sellers); Second Week: Evelyn Lindenmuth Third Week: Helen Tessier; Fourth Week: Marion Evns. This new sales approach will continue throughout the summer.

Mrs. Watson also reported six auxiliaries belonging to the Rose Tree Auxiliary have already sold all of their books! She reminded all to PLEASE SIGN YOUR NAME to every chance you sell or, if someone is selling the chance for you, that person's name should appear on the coupon. This will facilitate proper credits being awarded and you just may be a winner, you know!

Individual Booth Info: Co-chairmen Mildred Mullen and Isabelle Ricker will be in charge of "Ye Olde Sugar Bowle" at the Country Fair. The booth will be in pink and white colors. The sweets to be featured are: Old favorite lemon sticks, candied apples, home-made fudge (each committee member will produce 10 to 15 lbs. of fudge), penny candy and boxed chocolates.

Co-chairmen Jean Wright and Pat Graef list the goodies at their Refreshment Booth as follows: Pizza, hot dogs, sodas, coffee, Jack and Jill ice cream, pop-corn and potato chips. Here in one booth will be everything for all tastes!

The Garden Booth made approximately \$45.00 at their Plant Sale on May 1. They will have a lecture on June 11 at 10:00 a.m. in the Media Federal Savings & Loan Association. Mrs. Thomas Park will speak on "The Art of Drying Flowers." Donation is \$1.00 and tickets are available at the door or from Garden Booth members. You may also contact Co-chairmen Louise Caldwell -- LO 6-1822--or Eugenia Kimmel--LO 6-0511.
