Riddle Memorial Hospital Gets Accreditation on August 14th

As an attestation to the excellence of its medical care and to the administration of patient care by the hospital, Riddle Memorial Hospital was advised of its accreditation as a result of the evaluation of the hospital survey conducted on July 9, 1964, by the Joint Commission on Accreditation of Hospitals.

Mr. Donald L. Laughlin, Hospital Administrator, stated that RMH was accredited in the shortest possible time. He said it will mean that the hospital will now be eligible for additional Blue Cross benefits which will result in a substantial economic advantage.

We can all be proud of this record of achievement on the part of our excellent medical staff and the finest facilities which are available in Riddle Memorial Hospital. The accreditation, coming after only 18 months of hospital operation, is the fruition of the labor of many dedicated hospital employees, as well as loyal volunteers.

An Open Letter From The Country Fair Chairman to One And All

Dear Friends:

Country Fair is fast approaching and we're consulting the weatherman daily! As you can see by the schedule of events and activities, a busy day is in the offing.

All the chairmen have been busy for months, organizing their committees and working on their various projects. The thought and preparation for Country Fair started last October, so you can see that almost a full year goes into the "planning and doing".

However, we need help from everyone!!! The Fair is our largest single event and its success depends on all the girls. Because of human error, perhaps not everyone who filled out a questionnaire has been contacted. If this has happened to you, or, if you did not fill out a questionnaire and want to help, please call one of the chairmen listed on another page. The hospital needs all the support we can give it so if you have not already done so, please volunteer your services.

Our sincerest thanks for your wonderful cooperation and our best wishes to every Country Fair project--Country Fair Committee.

Beb Thomson, Chairman

P.S. If your husband would like to help, our Men's Committee would be pleased to have assistance. Please contact Mr. Wynne Eisenhart, LO 6-0403 or Bob Wick, LO 6-3881. We are sure that they can use all the male help volunteered and we know that they will be more than grateful! BT

(Designed to show appreciation and call attention to notable acts)

Our heartfelt thanks to Mrs. Charles J. (Nora) Briel, a member of the Lima Aux., who is our Music Chairman and who is directly responsible for obtaining the superb musicians which we will have at the Fair this year. She contacted the Chester City Band, the Sun Valley High School Band, and the Little German Band. She has done this for us for a few Fairs too!!! Nora says that anyone needing good music should contact Mr. Rosenberg of the Musicians Union, Local 484 of Chester, Pa. and they can supply any type of music for any affair!!

To our terrific nurses for all the work they have put into the financing of their Fair Booth, our gratitude! Mrs. Wood, Miss Hazin, Miss Curney were instrumental in the two cake sales and two 50-50 clubs to raise funds....

To Mr. William B. Sweetland, the Publisher of the Delaware County Daily Times, 703 feminine hugs and to his crew, Mr. Art Mayhew, and John Hopkins for doing the Fair Supplement, aiding publicity!!!

A Special Note of Thanks To:

The Parkside Retired Men's Club, under the direction of Mr. Charles Sapovitz, who painted and assembled booths and did all sorts of jobs! This incredible group of men (the oldest is 84; the youngest is 68) helped our cause more than we can say. So to Messrs. Matthew Sharples, Mike Yulak, Mason Latham, Abner Walker, Joe Robison, Harry Cullis, Matthew Miller and finally Charles Sapovitz himself--our blessing on all of you dear, dear men for your excellent cooperation!!! Mr. Sapovitz said, "It was wonderful the way we were treated by Mrs. Putt and Mrs. Thomson. It was a privilege to help your cause and we were happy to do it. Do not hesitate to call upon us in the future when you need us. We shall be more than happy to come out and help you. The hospital is a worthy cause and all of us men realize this fact. It helps everyone!"
