

PRESIDENT'S MESSAGE

Some wonderful results have been achieved by several Auxiliary events in recent weeks, and more are scheduled. Thanks to everyone for their help. Don't forget to support our Derby Day at Strawbridge and Clothier on April 30th.

RIDDLE DERBY DAY

Please mark Tuesday, April 30th on your calendar as an important day for Riddle. Nettye Courtman, chairman of Derby Day, informs us that Strawbridge and Clothier of Springfield is helping to plan the kind of program which should result in a successful project for our Hospital. For instance, did you know that Riddle will receive 3% of the store's total sales for that day? With this kind of support from Strawbridges we need to do our part and have every auxilian participate in Derby Day. Every purchase you make (cash or charge) will benefit Riddle Memorial Hospital.

Home baked goods will be on sale from 12:00 to 4:00 p.m. at the upper level entrance. A baby sitting service will be available in the training room (near the auditorium) from 10:00 to 12:00 noon. This will give mothers a chance to concentrate on shopping and also to enjoy the Fashion Show in the Auditorium between 11:00 and 12:00. There will be lovely door prizes given at this show, and the fashions featured will be exciting new sportswear.

Throughout the store auxiliary members will sell lapel flowers for \$.25 — if the flower you buy has a number on the back, you will receive a prize. Chance chairmen are Alice Case and Mabel Webb.

For all seasoned shoppers an item not to miss is a specially priced white blouse. Riddle will receive 15% on all purchases of this attractive blouse.

Mrs. Donald Aikens would like all auxiliary members to contact her at K1 3-1079 if they or any of their friends have art work which they are willing to display. We know there are a number of talented women in our group, and we would appreciate it if they would share their work with the rest of us.

A new and very special addition to Derby Day this year will be the selection of a Derby Day Cinderella. One contestant may be sponsored by each auxiliary, and the Cinderella will be chosen at 7:30 p.m. in the Auditorium. Each girl entering will be asked to present some talent; she will model evening clothes especially selected for her by Strawbridge and Clothier, and will receive a cosmetic kit from the store.

The first runner-up will be given a \$15 gift certificate from the Women's Auxiliaries, and the Cinderella will be able to choose a \$45 outfit from Strawbridges. She will also receive a gold charm from the Auxiliaries.

The following girls will compete to be chosen as our Derby Day Cinderella: Leslie Holt, Beatty Hills, reading; Debbie Whitehead, Bowling Green, sewing; Gwynneth Ray, Cheyney, monologue; Debbie Duncan, Concord, sing; June Rosser, Lima, sewing; Betsy Brown, Media, twirling; Beth Wilkin-son, Middletown, sewing; Dorie Letts, Moylan, acrobats to music; Judy Windsor, Nether Providence, acrobats to music; Ursula Praderio, Riddlewood, sewing; Suzanne Watkin, Rose Tree, jazz dance; Barbara Ann White, Springfield, guitar; Jody Marshall, Springhaven, sing and play guitar; Jean Lawrence, Swarthmore, sewing; Tammy Campbell, Wawa, sing.

GLANCING THROUGH RIDDLE'S HISTORY BOOK

The following notes were made by an Auxiliary member glancing through Riddle's history. (This seemed particularly timely, since our Auxiliary program began ten years ago.) The items listed are not intended to signify the most important or most valuable events - they are merely highlights which we hope will bring back many fond memories. For all Auxiliary members they will bring a sense of pride and satisfaction in Riddle Hospital and in a job well done.

The Board is grateful to all the women who have served to compile and keep these records. Our current chairman is Miss Marion Weathers who is serving her second term as historian.

DOCTOR'S DAY

Pictured above is Dr. Simon Levin having coffee poured for him by hostess, Mrs. Charles E. Stevens (Bea).

Doctor's Day, observed at Riddle Hospital on Friday, March 29th, is a national day of recognition for all doctors. It began in 1933 when a group of Georgia women celebrated the first Doctor's Day as an annual time to say "thanks" to all physicians for their dedication to the practice of medicine. March 30th was selected because this was the date in 1842 when ether was first administered to ease a patient's pain during a surgical operation.

At Riddle, a Doctor's Day notice was put on all patients' trays along with a red crepe paper carnation. These flowers were made by Media auxiliaries Bernice Page, Donna Campbell and Peg Crawford.

Hostesses presented all attending doctors with a live red carnation (the symbol of Doctor's Day) and served them brownies and coffee.

Chairman was Mrs. Alfred B. Page (Bernice).
