

Dear Hard-Working Auxiliary Members:

The 1968 Country Fair is rapidly rolling to what will be a most successful climax. The entire Fair will be open on Friday night, with special emphasis on activities to entertain the teens. I wish every one of you great success in each of your projects and thank all of you for your enthusiastic and happy cooperation.

Normally special attention would never be called to anyone, but you should know that our Grounds Chairman, Cornie Burckhardt, in spite of a delicate and painful back operation, is doing the job from her hospital bed. She will continue to coordinate grounds from home. With this kind of spirit, which exists in our auxiliary members, our Fair will always retain its fine quality.

SEE THE FAIR FROM THE AIR

The Chopper rides again this year by popular demand. Helicopter Rides will be given Saturday from 1 to 4 P.M. Advanced tickets may be obtained at the Information Booth Friday evening and Saturday. Get your tickets early so you can be sure you'll see the fair from the air.

Our many thanks to Mr. Edward Tunitis, Vice President of the Delaware County Office of Philadelphia National Bank for donating the helicopter to us. This could mean a great deal of profit so thanks again Mr. Tunitis for helping us help Riddle.

Our famous Antique Auction will be held on Saturday. Since this is such a big money maker, please search your homes for antiques or "nice junk" that would auction well. If you can't contribute merchandise but would like to help, call Mary Rhodes at KI 4-8929. Personal solicitation from friends is very effective in obtaining items.

Nether Providence Auxiliary will have the fish pond and children's carousel. They will have

mystery packages, new and used toys and ballons in the carousel. They need donations of used toys, books, skates, games, bikes, etc. Call Elsie Buhle at LO 6-5140 or Eukie Brooks at LO 6-9288. Clean out that toy box and call us. We'll pick them up.

Clothes are wonderful the Second Time Around. That is the way Moylan-Rose Valley figures it. Their booth needs children's clothing, boots, sweaters and blouses, hats, bags, slippers and other items. Come on Mother, check those ice skates. They can't possibly fit Junior again this year. Call Jane Collins at LO 6-1363 or Ruth Fitzgerald at LO 6-4092. They would be delighted to clean out your closets for you.

The Parcel Post Booth operated by Rose Tree Auxiliary is in desperate need of articles (value .50¢ to \$1.00). Look around your house for those gift items you have stashed away and call Betty Griffiths at LO 6-3979 or Jeanne Cotton LO 6-2963, or leave them at RMH Reception Desk marked "PARCEL POST."

Bowling Green in charge of the BEEHIVE BOOTH, are chancing off a 16" Emerson Color T.V. at \$.50 a chance or 3 for a \$1.00. A basket of cheer valued at \$100.00 for \$.50 a chance and

PRESIDENT'S MESSAGE

This issue of our paper is the final one of my year serving as your President and I want to take this opportunity to express my thanks to all who have helped make it such a wonderful one. For me personally the rewards have been so many. Coming to know more of the membership than I could have otherwise has been deeply rewarding.

The success of our endeavors for Riddle have been the result of all our labors. It is my earnest hope that the year to come will hold the same wonderful efforts and my sincerest wishes go to our next President, Rosemary McClatchey for a year of continued rewards and deep, personal satisfaction.

a plastic umbrella dripping \$25.00 at \$10 a chance. The Media Auxiliary wants to take this opportunity to thank Bernice Page, Lorraine Gross, Selma Rende and Elizabeth Pitt for the wonderful job they have done on selling chances. Marcus Hook Beverage will supply our soda wagon this year with excellent supervision. Medfords for hotdogs, Hubers for rolls and Mr. Burton Suter will supply ice. Again Mr. Higgins will supply refrigerator. They need help. Come on Candystripers, we need you. Call GL 9-0131 if you can even spare an hour.

Don't say after the fair "If I'd known you needed it I would have baked you a cake." Middletown needs all the cakes they can get. Remember girls, we are also open on Friday evening this year so we are going to need plenty of cakes, cookies, breads, pies, brownies. So come on girls get out the mixer. Bring them to the fair with you either Friday night or on Saturday.

Springfield Auxiliary needs home made fudge to go with the penny candy, lemon sticks, apple taffys and cotton candy they are selling. We need candy-stripers to help. Please check in with the Director of Volunteers. Tell her you want to help at the Candy Booth and we will call you and arrange hours.

If any of you attended the dinner in the cafeteria last year you will know that Springhaven Auxiliary really goes way out to give you a delicious meal for an infinitesimal sum. This year they will serve a choice of Baked Ham with fruit sauce, or Stuffed Chicken Breast, peas and carrots, baked stuffed potatoes, cole slaw, rolls, pie, coffee or milk. All of this for \$2.50 for adults; \$1.00 for children. Come on Mother, why cook?

Something new has been added this year. A Handcrafts Booth. Dot Kennedy and her committee have been so busy making the most attractive things out of the most unusual. Dot would welcome any help in this field. She claims no talent is essential. If you have two hands and a minute to spare, call Dot at KI 4-5054 and see.

THE PARIS FLEA MARKET, sponsored by Beauty Hills wants everything. Jewelry, kitchenware, glass, lamps, paperbooks, small furniture, electrical appliances. All items must be in working condition. Anything you can do without they need. Used but not misused is their motto. Call Peggy Wells KI 3-0503 to arrange for pick-up.

Have you ever been to a COUNTRY STORE? Then you know that there is not one item you can mention that they can not use. You great domestic housewives who spent the long hot summer putting up those luscious concord grapes, could you spare a jar or two. Watermelon rind is great. Lemon butter

Anything that is eaten or looked at in the kitchen we want for the country store. If you care to help or have any questions, call Peg Lank LO 6-4565.

Concord will again handle children's games, and Riddlewood will bring a touch of Italy with their homemade pizza.

This year all "individual" consignors, artists and craftsmen are grouped together. Again, artists and hobbyists will be demonstrating in their various fields of talent. Demonstration hours will be announced over the amplifying system during the day. They will all be very interesting and instructional as the demonstrators will be well versed in his or her field. Wonderful "One of a Kind" Christmas gifts.

And now for our RAIN INSURANCE. Donnie Watson is begging on bended knee to get out and sell those chances. Every one you meet is a prospective customer - don't miss a bet - be aggressive! If you like to sell, sell for those who don't. You'll be doing them a favor and Riddle too.

Helen Laimbeer, Program Chairman, is making it worth your while to purchase a program this year. In your program there will be a coupon worth 50¢ toward a car wash, and if you feel like traveling, one-third off on the Wawa-Concordville Railroad - take a trip. Hopefully we plan to give a program to each patient in Riddle on the day of the Fair.

SPECIAL NOTICE!

Friday Night!

A tip to the teens - JERRY BLAVAT, the geeter with the heater and his bombastic show will appear at 7:00 p.m., emceeding the youth combo groups grant competition. Judges will be: Gary Geers, KYW-TV; Marty Caruso, former musical director of Four Aces; and Dr. Lawrence C. Haight, Dean of Men, Combs College of Music.

Our many thanks to P.M.C. Colleges Military Band for helping us officially open our 1968 Country Fair. They will present an exhibition of precision marching by the nationally famous drill team, The Pershing Rifles, at 10:30 a.m. Saturday, October 12th.

The Annual King and Queen Contest will again be sponsored by the Delaware County Daily Times. The drawing will be held at 10:00 a.m. Application blanks will be available on the back of the flyers, at the information desk and in the local newspapers. We will present each child with \$25.00 to be used for fun at the fair.

Let's Get this Show on the Road. Get your bumper sticker on. Let the world know that Riddle is having a Fair. If you are not riding wear that button. Remember "EVERY RIDDLE BIT HELPS."
