FROM THE GENERAL BOARD

There's not too much to report this month, but stop in to see the MERRY TOKEN SHOP with it's facelift - new window shelves, freshly painted walls and woodwork, and spiffed up flooring. When you are thinking Easter gifts, please remember this Shop. Prices are moderate, selection is new and seasonal. Our Chairmen have been hard at work.

The Slate of Officers for 1981-82 will be presented at the April 13th General Board Meeting.

The Thrift Shop tells us that the help from Auxiliaries on Saturdays has been great!!!! Let's keep up our support for our best money-maker.

PRESIDENT'S MESSAGE

Spring, at long last, is upon us, and our calendars are chock full of events. But this time of year, the loveliest, as far as I'm concerned, is much too short.

Let's take time from our busy schedules to drink in the unfolding beauty about to descend around us - take time to smell the flowers. We owe it to ourselves.
