RIDDLE MEMORIAL HOSPITAL

MAY, 1985

VOLUNTEER LUNCHEON

The VOLUNTEER LUNCHEON was held on April 25th, 1985 at the Log Cabin Inn. A tribute to the innumerable Volunteers who preform countless tasks. 5 Volunteers accrued 5,000 hours of service or more and names engraved on a plaque. There were 6 Golden Awards, 2,500 or more, 18-1,000 hour certificates and 21-500 hour selver pins. Jeanne Vivian has over 15,000 of service!

When Riddle Memorial Hospital opened its doors in February, 1963, it opened the hearts of many adults and teenagers. These dedicated people came to give of themselves in order to help others.

Volunteering is not all giving. It is also receiving. There is much satisfaction to be had from reassuring an apprehensive patient who is about to be admitted, by serving a patient a cup of coffee or helping a mother in Maternity choose an appropriate gift from the Cart for her little ones at home, sharing a laugh with a patient on their way to X-Ray or Therapy, - the feeling of being there when someone needs you. They, in turn, are our ambassadors to the community. They are a part of the TEAM that insures "TOTAL PATIENT CARE".

To the Staff and patients at Riddle Memorial Hospital, HAPPINESS IS HAVING OUR VOLUNTEERS. To the Volunteers, - HAPPINESS IS BEING ONE!

If you have a few hours to spare each week, it would be an appropriate time to join the ranks. Call Bernice Page, Director of Volunteers, or Emily Beck, Assistant, at 566-9400, Extension 3170.

A PINK LADY

Visiting many friends in the Hospitals over the past years, one thing has come close to

our hearts. As I see their friendly faces, and smiles, I notice their every effort to make the patient comfortable. Filling many responsible jobs, some that require a special skill, they all seem to have a human touch to fill in where they can. They show that kind of love for people. This to many of we the people, honor them highly for their kindness and service. For their unselfish service is paid only with your and my love and respect to them. We call them "The Beautiful Flowers at The Hospitals" - THE LADIES IN PINK - GOD BLESS THEM ALL!

community interest. Combine time and patience with determination. Add organization and monetary aid and mix well with laughter and smiles. Carefully pour into pan greased with coordination. Sprinkle top with your own special talents. Bake until thoroughly warm and serve immediately to neighbors near and far. Never cover or refrigerate, it must constantly be used to get the full aroma.

DOCTOR'S DAY
MARCH 29th, 1985

In 1958 the United States Congress officially designated March 30th as a day to honor all members of the Medical profession. On this date, in 1842, Ether was administered as an anesthesia for the first time.

On March 29th, the ASSOCIATED AUXILIARIES of Riddle Memorial Hospital saluted all our physicians with a bouquet of red carnations in the Lobby of the Hospital. This is our way of saying "THANKS" for their service and dedication.

RIDDLE RAP

"SPRING IS HERE" and it means more to modern man than it did to his forefathers. It brings the hopeful and ever recurring reminder that there are lovelier things to look at than television! THE COUNTRY FAIR is making great progress. The Committee is very busy planning a great Fair. LORRAINE GROSS distributed the FAIR chances, and urges all Auxilians to - "SELL, SELL, SELL" - GIVE IT YOUR ALL. Lorraine will give dates for sitting in the Hospital Lobby next week. The price of the chances will be \$1.00 - \$5.00 for 6,..... Live in each season as it passes; breathe the air, drink the drink, taste the fruit, and resign yourself to the influences of each.

NETHER PROVIDENCE FLOWER SALE.....

Concord Auxiliary member, LILLIAN ROUKE, was hospitalized. We sincerely hope she is feeling better.....NETHER PROVIDENCE AUXILIARY "Rose Sale" was a tremendous success.....
 SPRINGHAVEN AUXILIARY will have a "Yard Sale" on June 1st at the home of MARILYN LEE.....
 A "Pool Party" is planned on June 20th at the home of GRACE GARAFOLA.....MR. DONALD LAUGHLIN, President of RMH spoke at the General Meeting of the Associated Auxiliaries regarding the new approaches and obligations hospitals are faced with in these times. The Federal Government has made many new demands and directives regarding hospital services, even to length of patient stay. Surgery and related patient days will be set. In short, if the term for a particular service is four days, only those four days will be recognized for hospital payment. Also, unlike heretofore, interest income, undesignated funds from memorials, etc., will be subject to Government regulations. Increased competition has already been seen the opening of Walk-In Clinics and Imaging Centers such as are in Springfield and the Health Center in Granite Run Mall. These claim they can operate at less cost and less patient waiting time. RMH serves Elwyn Institute with a Satellite Pharmacy and plans with Delaware County Hospital to share in planned Alcohol Rehabilitation Facility here in Middletown Township. The plan to insure our preservation and flexibility of assets is to accomplish a Corporate Restructuring of the Hospital. The new parent corporation would be known as Riddle Memorial Foundation, and would cover separate blocks of operation, such as Riddle Health Care, Riddle System Services, and

Riddle Memorial Hospital, with a future block as Riddle Enterprises. This does not mean a new and foreign Board, but rather dividing the present Board in groups of three, all remaining with a voice in the Foundation. Any and all efforts will be fully examined and legally structured by foremost corporate attorneys. Our hospital's aim always is to maintain the finest medical facility possible, the very best of patient care, and continued expertise in the health field.....

.....DR. PETER PALENA of RMH Ophthalmology spoke on the new Lazer at the April General Board Meeting of the Associated Auxiliaries. Dr. Palenashowed, via screen, the possibilities and performance of the Lazer. He described it as the "Mercedes" of Lasers. Explained how fully equipped it is, and the many accessories that can continue to be used with it. It has opened another door of outstanding service for Riddle to offer its patients. A plaque has been printed acknowledging the generosity of the Associated Auxiliaries in donating this outstanding equipment. Riddle's Ophthalmology Staff is superior with all academically oriented physicians, and shows unlimited growth to come. Following the meeting, a number of members went up to the Ophthalmology Department to see the equipment first hand, and derive additional information of it.....

THE COUP D'ETAT

The Associated Auxiliaries of Riddle Memorial Hospital had their Twenty Seventh Annual Man O' War Ball on April 20th, 1985 in the Grand Ballroom of the Adam's Mark Hotel in Philadelphia. What a gala evening! Beautifully gowned ladies, handsome gentlemen, excellent food and the music was made for dancing. A wonderful time was had by one and all.

Chairman, Duchess Wynn (her name "Duchess" was very apropos), did a ROYAL job. Co-Chairman Rosemary Palena did an excellent job along with the rest of the MAN O' WAR BALL COMMITTEE.

The Auction again proved to be financially successful. Thank you Dr. Charles Kipp. Dr. Kipp our Anesthesiologist, for sure, can't put you to sleep at a time like this. What would be do without his boundless enthusiasm for Riddle Memorial Hospital and The Man O' War Ball!!!

The Associated Auxiliaries wish to thank all that support this Annual function by attending, and also for their Patron contributions.

This kind of support is what stimulates us to continue our work for RMH

COOKBOOK

Recipes have far exceeded the Johnstown Flood! Our sincere thanks to all who have submitted their "favorites". Due to many duplications, plus late arrivals, some of you may not have made the headlines. The Committee is busy reviewing and testing some 400 recipes. Please be patient. They also have to re-do many entries to make them printable. Hopefully, we should have a book ready for purchase before the holidays. Save your pennies!

The name of the Cookbook will be.....

PRESIDENT'S MESSAGE

My sincere "thanks" to Duchess Wynn and her MAN O' WAR BALL COMMITTEE for organizing one fantastic affair. My sympathy to those of you who were unable to attend -- you were the losers.

Everyone attending agreed that the food, music and Auction articles were the best ever! Thank you gals!
