Annual Tree of Lights

December 9th of 2014 found the Associated Auxiliaries hosting the Annual Tree of Lights. Once again we were entertained by the Choir from Penncrest High School under the direction of Ms. Megan Rozinski.

Everyone in attendance enjoyed the lighting of the tree and the food that was served following the event. It was an honor to have in attendance. Ms. Georgia Lee, niece of Sam Riddle. She was accompanied by her niece, Ms. Sarah Caldwell.

Alycia Mallon-Buhle presented a check to Mr. Gary Perecko, President of Riddle Hospital, with a check in the amount of \$50,000.00 to be used to fulfill the Auxiliaries commitment of the hospital.

SANTA'S WORKSHOP

The STAR Employee Auxiliary held its annual Santa's Workshop on Sunday, December 14th. Each year visitors are asked to donate a new toy or a cash donation to a charity. For the last several years, the charity chosen has been CADES - Children and Adults with Disabilities, which is located in Media, PA. Steve Derby and Kathy Warren were Mr. and Mrs. Santa who have greeted an average on 150 people each year. All visitors receive a picture of themselves with Santa. Many members of the SEA Auxiliary and the Riddle family participate in this event. This year's theme was the Polar Express and children (and sometimes grown up children) could watch the video or color related pictures while they enjoyed hot chocolate or juice, eat ginger cookies and apple slices and sit on Santa's lap to tell him their Christmas wishes. All receive a gift from Santa. This tradition has continued for over 27 years and the elves and Clauses hope it will continue for many more. *Kathy Warren*
