RIDDLE MEMORIAL HOSPITAL

September 2015

Fall is here. Leaves have started to turn color and are even falling. Fall means that the Auxiliaries are back in action after the summer of idle business and vacations.

The Auxiliaries really were not idle over the summer as a lot has taken place. Our 2014-2015 fiscal year closed out June 30th and the new 2015-2016 fiscal year is now upon us. Our Thrift Shop remained open again this year over the summer Monday through Friday, We have had to order a new tree for our Tree of Lights, our name now appears on the walls of the new Emergency Department, and it looks like we have a new project to work on for Riddle Hospital, that being the new Endoscopy Unit in Health Center 3 area. So - time has arrived when we are back to work!

ANNUAL LUNCHEON

The Annual Luncheon of the Associated Auxiliaries was held at the Riddle Village on June 15, 2015. Installation of Officers took place; Associated Auxiliary Directors and Auxiliary Presidents. The Associated Auxiliaries Treasurer, Sandy Jaeger, was not able to attend this event and as the Assistant Treasurer and a Director, she will be installed at a later time. A check was presented to Steve Derby in the amount of \$50,000.00 toward our next pledge. It was voted upon to make a donation of 1000 baby spoons to the Birthing Center again.

Director & Treasurer Alycia Mallon-Buhle, Directors Kathy Warren, Jan Duryea & Donna Meehan.

SPOONS for the BIRTHING CENTER

1000 feeding spoons were ordered and have arrived. They were delivered to the Birthing Center and a thank you note received from Barbara Kurtz, Nurse Manager. They are given to each mother upon her departure along with other materials from the Department.

They are engraved with: 'Congratulations, Auxiliaries of Riddle Hospital' and there is a card enclosed that reads: 'Congratulations and Best Wishes, Associated Auxiliaries of Riddle Hospital.'

TREE OF LIGHTS

Tree of Lights event will soon be here, (December 7, 2015). Meetings have already taken place and a new tree has been ordered. There will be some new wreaths as well.

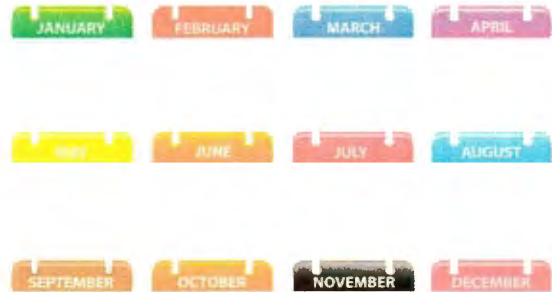

Spread the word please and if you can think of someone that might be willing to sponsor a wreath, or even wish to receive our flyer for lights/wreaths, please let Peggy know in the office and a letter and/or flyer will be sent to them.

The Star has already been taken by Shirley Cook in Memory of her dear hubby, Harvey. Thank you Shirley

VENDOR/BAKE SALES

We are now making appointments for Health Center 3 Lobby for sales for the 2016 season. If you have not made them for your Auxiliary, please let me know and we can help you. We know what dates have been taken and what is available.

Main Line 5 held their first meeting, getting ready for their next event. If you know of an author of a good book and that author lives within a fair distance and also does speaking engagements, we would love your suggestions. Share with us please! Let Peggy in the office know! Thanks.

NEW VP IN PLACE

As you know, Dr. Anne Marie Brooks retired in April from Riddle Hospital. Her replacement is in place. Our new Vice President of Patient Care Services at Riddle is **Rosi Wurster**, BSN, RN, MPH, CEN, NEA-BC

Our single plaque (pictured above) is in the hall on
your way to the Rapid Evaluation Unit.

Large Plaque placed in the new ER waiting
room.

Go by sometime and see this beautiful wall of plaques
and everyone that has contributed to the Emergency
Department.

Mrs. GEORGIA LEE

On September 21, 2015, Mrs. Georgia Lee was
presented with a Man O'War horse head from the
Associated Auxiliaries On this was a plaque that
read:

Georgia Lee
Honorary Member
Associated Auxiliaries
2015

At 102 years of age, she was pleased and excited.
She even kissed the horse. Georgia is the only living
relative of Mr. Sam Riddle, that we know of. She is a
niece of Mr. Riddle and resides at Riddle Village.
This lady is amazing for her age and she is getting
great care at the Riddle Village and the love and care
that she so deserves from her niece, Sarah Caldwell.
